Purify Your Blood!

HURLEY'S SARSAPARILLA.

OF all the remedies that have been discoverof all the remedies that have been discover-ed during the present age for the "thousand ills that flesh is heir to," none equal this won-derful preparation Only ten years have elapsed since the discoverer (who spent a de-cade in studying experiments, and perfecting it,) first introduced it to the public, and it is al-ready recognized by the most eminent physicians in all parts of the country, to be the most surprising and effective remedy for certain diseases of which they have knowledge.

All other compounds or syrups of this root have hitherto failed to command the sanction of the faculty, because on being tested, they have been found to contain noxious ingredients, which neutra ize the good offects of the Sarsaparilla, and oftentimes injure the health of the patient. It is not so with Hurley's pre-

This is the pure and genuine extract of the root, and will, on trial, be found to effect a cerain and perfect cure of the following complaints and diseases.

Affections of the Bones, Habitual Costiveness. Debility: Diseases of the Kidneys, Dyspepsia, Erysepilas, Female Irregularities, Fistula, all Skin Diseases, Liver Complaint Indigestion, Piles, Pulmonary Diseases, Syphilis,

> Scrofula, or King's Evil.

B sides curing the above, it is also known to be a Great and Powerful Tonic,

Purifying the blood and invigorating the system. In short, it is, without exception, in the cases mentioned, and its general effect upon the system the most efficacious as it is the most desirable remedy of the age. It is already extensively used throughout the country. The tances of cures it has effected are daily coming to the proprietor's knowledge, and he has no hesitation in recommending it to one and all who desire to procure relief from suffering. One bottle being tried, its effect will be teo apparent to admit of further doubt.

HURLEY'S AGUE TONIC.

PERFECTLYRELIABLE,

The only remedy for chills and fever or ague and fever that is or can be depended upon is Hurley's Ague Tonic. There have been thou-sands cured by using it who had tried the usual remedies without benefit; but in no caee has

URLEY'S AGUETONIC FAILED TO EFFECT A CURE. All who have used it cheerfully tell their afflicted friends of it, as a sure and certain cure for chills and fever. Any one suffering from the chills would consult their own interest by sending to a drug store and buying a bottle. It is pleasant to take, compared with others, and will be certain to cure all cases of fever and ague or chilis and fever. Send for it to the proprietors. JAS. RUDDLE & CO.,

Louisville, Ky. For sale by the wholesale druggists of Louis-ville, Cincinnati, Memphis, St. Louis, New Or-leans, &c., &c. leans, &c., &c. Every druggist and country merchant should have it in store, especially in districts subject to the chills and fever or ague and fever.

HURLEY'S Popular Worm Candy!

As this is really a specific for worms, and the best and most paintable form to give to children, it is not surprising that it is fast taking the place of all other preparations for worms—it being perfectly tasteless, and any child will take it JAMES RUDDLE & CO.,

Proprietors.

OR DISORDERED STOMACH, There are no Bitters that Can Compare with these in removing these distressing complaints. For sale or can be had at any drug store in the United States, or frem the proprieto's at Louisville Kentucky, to whom all orders should be addressed. JAMES RUDDLE & CO.

IMPORTANT TO ALL.

The season for chills and fever is now upon us. It therefore becomes our duty and interest also to get the best cure in use; and the only one we can with truth rely upon as cer-tain, is HURLEY'S AGUE TONIC, as thousands of well attested cases can testify. It is fast superseding all other remedies for ague and fever or chills and fever. Every body should try it when they have chills. Can be had at any drug store, as our frier is sames Ruddle & Co., are selling large quantities throughout the West and South. Every store should have a supply on hand to meet the coming demand.
